

Financial Support Means Opportunity For Our Students...

The faculty at Vista Heights Middle School has worked hard to provide students with well-rounded educational opportunities. In 2007 there was a desire to expand the possibilities.

As educators, we believe that there is no greater enhancement to classroom education than real life, hands-on experiences. Educational tours provide cultural enrichment for students by connecting the past to the present and future. The educational value of seeing our country's most precious and revered memorials, monuments, museums and buildings is immeasurable.

Student travel...

- encourages independence
- inspires confidence
- fosters teamwork
- stimulates self-discipline
- cultivates self-reliance
- formulates lasting memories
- provides cultural enrichment
- reinforces what is taught in the classroom
- challenges students beyond the pages of a book
- absorbs students in critical thinking
- helps launch dreams

Please help the student who shared their dream of educational travel with you by sponsoring them with your best gift. Sponsoring information is on the back. For additional information or corporate sponsorship opportunities please contact:

A History of Excellence

The students of Vista Heights Middle School have demonstrated over many years a desire to learn and perform at the highest level. Their efforts have consistently earned recognition throughout California, and the nation. Students in grades six through eight have the opportunity to participate in a variety of extra curricular activities that will help shape their future. This travel experience for 8th grade students will be our eleventh trip in partnership with Apple Student Tours. Apple Student Tours is an educational travel company based in San Diego California. They are committed to providing safe educational travel for students at an affordable price.

Every 8th grade student with a desire to travel on our East Coast Trip will have the opportunity to contact family members and/or friends and ask for financial help. The cost of this amazing opportunity is approximately \$2,775 per student. This is the total cost and includes airfare, ground transportation, hotels, and three meals per day.

The student who has sent you this request has a desire to participate in an educational experience unlike any other. Please consider supporting their dream. All donations are accepted, large or small. Please indicate an individual donation or general trip donation on the sponsor form. Donations should be sent directly to the school. Thank you for your time and support.

Trip Coordinator - Aurelio Cortez
 Trip Support - Greg Solomon
